Hi Ms. Hults,

I don't know what happened but I sent the email below on 10/31. As for this week, I have been out sick until today.

Everything should be the same as written below.

I apologize for any mix up.

Thanks,
Brad

Attached is the Permission to Publish Request Form. Rensselaer Polytechnic Institute has established a repository of research material created by the Darren Freshwater Institute. You can view the collection at http://digitool.rpi.edu:8881/R/AI7RF414JC9D732YSJXKYNTV4DMP6HKA3GHESVF7JL2LNV9FR-00093?func=collections&collection_id=1211. We seek permission to include a scanned copy of the publication Field

guide to the aquatic plants of Lake George, New York by Eugene Ogden, Kenneth Dean, Charles Boylen, and Richard Sheldon, published in 1976 as a New York State Museum bulletin 426.

We are excited at making available the rich research material represented in the collection and hope that you will grant us permission to include the above publication. Please contact me if you have any questions about the repository. Thank you. - Patricia
