Ms. Hults,

I graduated from RPI in 2013 with a PhD. At the time I selected the standard Rensselaer License for copyright of my thesis, but now I feel it would be beneficial to change this to the creative commons copyright. Would it be possible to make this change, and if so what do you need from me to do it? Also, is there any cost associated with this?

Thank you,

Joseph Fayton, Ph.D.
